

GOLDWELL

COLOR ZOOM CHALLENGE '16
WINNERS AWARD BOOK

CONGRATULATION TO ALL WINNERS OF THE COLOR ZOOM '16 CHALLENGE.

YOU ARE REAL STYLE-D!SRUPTORS - NATIONAL AND GLOBAL WIDE.

You dared to take the challenge. Dared to compete with amazing hairstylists on a national and global level. You showed your creativity by interpreting the D!srupt Collection in your own individual style and you made it to the top three in your country, or even became a global winner. **We sincerely congratulate all of you.**

With your participation in the Color Zoom Challenge you competed in one of the biggest Live-Competitions for hairstylists worldwide, giving you the ultimate chance to boost your career. **The Color Zoom Challenge is the place where talents are discovered and stars are born - like all of you.**

GLOBAL AWARDS

The Color Zoom Challenge is divided into three categories according to level of experience:

Global Creative Colorist: open to all Goldwell stylists who have more than five years professional experience.

Global New Talent Colorist: open to all Goldwell junior stylists who have less than five years professional experience.

Global Partner Colorist: open to all stylists who have worked with Goldwell as freelancers, trainers or guest artists.

NATIONAL AWARDS

Optimum creativity demands optimum freedom - so all categories have the entire Goldwell product range to create the perfect looks.

The Gold Award Winner per category and country can expect a new career boost: they join Goldwell's Creative Master Team to create the next Color Zoom Collection!

Let's celebrate the creatives who interpreted the D!SRUPT Collection most creatively in their national categories. It's a great pleasure to present on the following pages of this Award Book the three **National Winners** (Bronze, Silver and Gold) per category and of course as well the **Global Winners of the Color Zoom Challenge**.

We are very proud to present the Style-D!SRUPTERS 2016!

Your Goldwell Color Zoom Team

DARE TO DISRUPT.

DISRUPT TO INNOVATE.

You've seen it before so forget it!
Shake up the status, break up the conventional
and create something new.

CHALLENGE EXPECTATIONS.

The Color Zoom Creative Team developed a
new Hair Fashion Collection that challenges
expectations and adds a truly disruptive twist
to hair and fashion. To create the looks for this
trend, the team disrupted the shape, the color
and the texture of hair.

DARE TO BE DISRUPTIVE.

Strong shapes meet organic fluidity. Shiny
materials meet matte and frizzy textures.
Deep Neutral Backgrounds meet Disruptive
Vibrant Accents. Dare to engage with an
inspiring Hair Fashion Collection that breaks
with the conventional and invites you to
challenge your own ideas of styles.
